

Quick Reference Guide: Browsing, Searching & Purchasing products

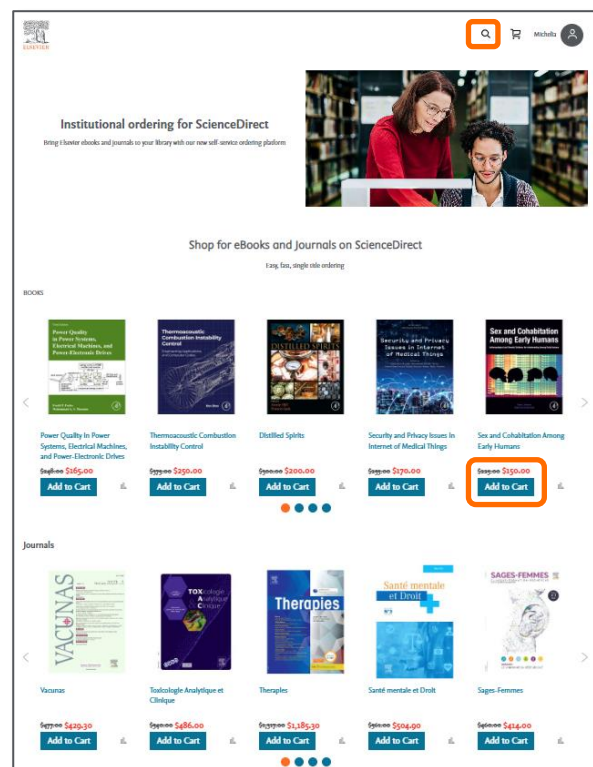

For Company Administrators and Company Users

Browsing & Searching Products

Elsevier's Business Ordering Platform offers a hassle-free experience for purchasing ebooks and adding journal subscriptions. You will have increased control over your product holdings, a convenient way to manage and purchase content anytime, and the ability to instantly react to the dynamic needs of health professionals, faculties and students, ensuring the content is in place - at the right time.

Click on the Elsevier logo in the left top corner to start browsing

Once you're in the shop, you can do the following

Browse through products shown

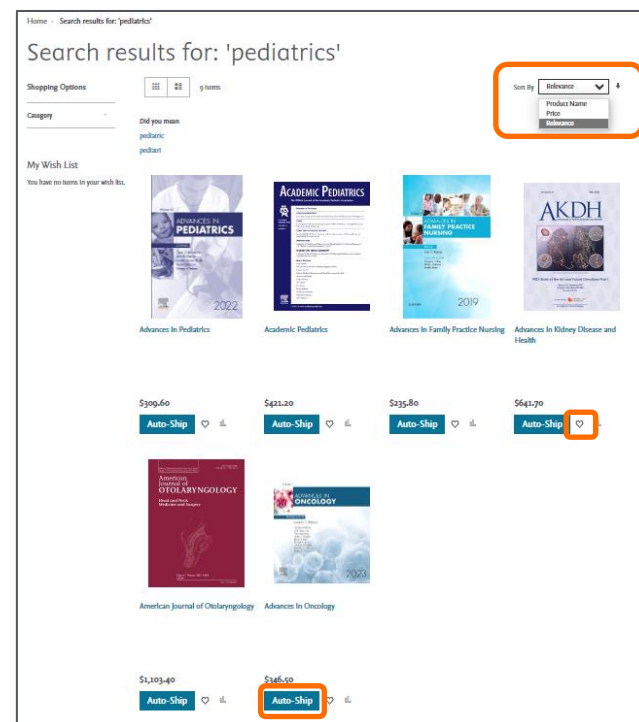

Add products straight to your cart, by clicking the 'Add to Cart' button

You can view the items in your cart by clicking the 'Cart' icon in the top-right corner

Specifically search for a topic or product, by using the search engine in the top-right corner

In our example we have searched for 'pediatrics'.

Browsing & Purchasing

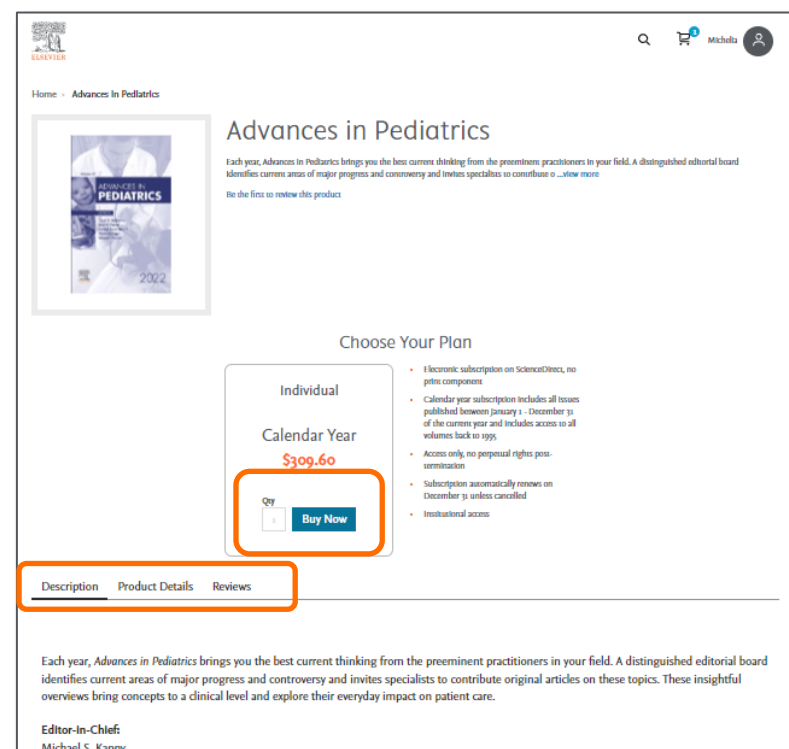

The results for Pediatrics will be displayed

Sort the products in a variety of views by electing the 'Sort by' drop-down menu. This will display products, images, descriptions, and costs in the selected sort-order

Add a product to your favourite list, by clicking the heart icon

Clicking the 'Auto-ship' button will add the product to your cart

Click on the product title to go to the product page for further details

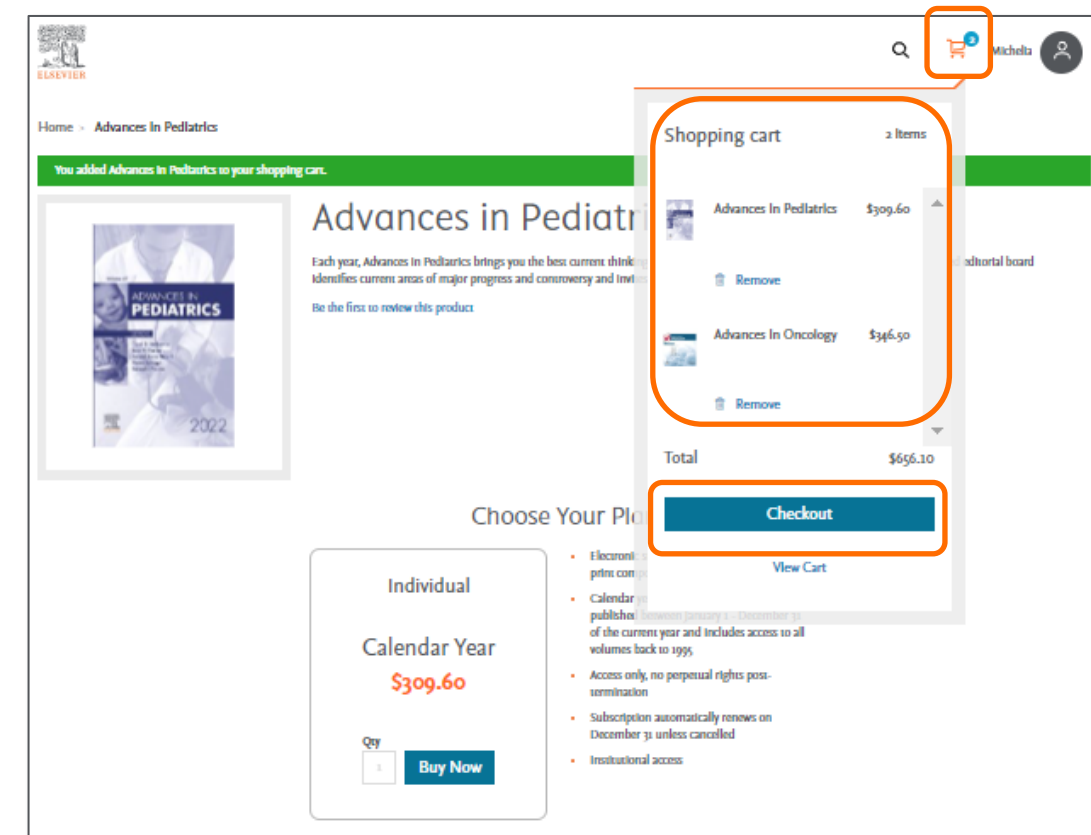

The product page provides more detail about a selected product

Granular product details are provided at the bottom of the page:

- Description
- Product details
- Reviews

To add more than one item in your cart, key in the order quantity and select 'Buy Now'.

Purchasing and Managing your Cart

To manage your cart before purchasing, select the cart icon in the top-right corner of the screen

From the drop-down list you can quickly update your cart quantities, as well as adding and removing additional products from the cart.

Select 'Checkout' to proceed

See next page.

LICENSE AGREEMENT

1. Scope. The purchaser represents and warrants that he/she is acquiring product(s) purchased online (such a "Product" as defined below) from Elsevier Inc. ("Elsevier") on behalf of his/her institution ("End User"). End User's right to use the Product is conditioned on its assent to the terms of this License Agreement ("Agreement").

2. Product. "Product" means the following Elsevier products:

- ClinicalKey ("CK")
- ClinicalKey for Nursing ("CKN")
- Clinical Pharmacology Powered by ClinicalKey ("CPbCK")
- StatDX
- ExpertPath
- ImmuneQuery
- RxPrimer
- PathPrimer

3. License. End User is granted a non-exclusive non-transferable right to access and use the specific Product that has been purchased from Elsevier and to provide it to its Authorized Users (as defined herein) at the sites identified by purchaser on the online portal ("Site"). Use at additional Sites require payment of license fees. End User will, upon request, report to Elsevier its actual Sites, number of users, and other statistics as appropriate to determine whether any additional license fees are due. If access to the Products is via an online platform or website, End User also agrees to comply with any applicable online terms of use indicated on such sites.

4. Payment. Payments (including currency and any recurring payments) shall be made in accordance with the methods of payment indicated on the online portal from which they were purchased. If End User is paying by credit card or debit card, then the card details must be supplied when placing the order. End User's credit card will be charged before each Term (as defined herein). Elsevier reserves the right to verify the identity of the credit card holder by requesting appropriate documentation. Otherwise, payments will be due within thirty (30) days from the date of the invoice.

5. Customization. CPbCK clinical calculators drug dosage default values and other settings may be customized by End User's designated administrators for End User's institution-specific protocols and procedures. Customization requires individual online registration by such administrators on the CPbCK website. Elsevier will use commercially reasonable efforts to keep the customized default values and settings protected against unauthorized access, loss, misuse, alteration or disclosure through the use of appropriate security measures. End User will indemnify Elsevier against any claim relating to any customization or alteration of the clinical calculators.

6. Product Content. End User acknowledges and agrees that Elsevier will have complete editorial freedom with respect to the form and content of the Product. Elsevier reserves the right to withhold content that it no longer retains the right to provide or that it has reasonable grounds to believe is unlawful, harmful, false or infringing. In addition, Elsevier may withdraw certain content for editorial, usage, currency, or other commercially reasonable reasons.

7. Term. The term of the Agreement shall be for the length of time identified at the time of purchase or renewal of each specific Product.

8. Data Collection and Use. Elsevier may access, collect, use, copy, store and transmit End User's Product utilization data for its own business purposes.

9. Updates. Elsevier may provide updates to the Product, as they are made commercially available. End User agrees to implement any updates within five (5) business days of the date of receipt.

10. Protection Against Unauthorized Use. End User will: (i) limit access to and use of the Product to Authorized Users; (ii)
