Registering for ClinicalKey for Nursing Remote Access

Remote access allows you to easily access ClinicalKey for Nursing when you’re not on your institution’s network. The instructions below outline how to activate remote access.

1. To activate remote access, click Login at the top of ClinicalKey for Nursing.

2. From the Login page, click the Apply for Remote Access link.
3. Once navigated to the Remote Access Screen, enter your institutional email address.
4. Once you enter your email address, a message will display to look for an email from ClinicalKey that includes the remote access confirmation.

5. When you receive the confirmation email, activate your remote access by clicking on the link available in the email.

Dear Customer,

Thank you for choosing the remote access activation option. To confirm please use the link below.

Activate your remote access

This confirmation link is only for e.lundy@elsevier.com, please do not forward this message.

Regards,

The ClinicalKey team.
