

Before starting the redemption process, ensure you are logged out of the system by clicking the 'Logout' link located in the top right corner. The system will not allow you to redeem a Registration ID and password while logged in.

1. Go to <https://www.clinicalkey.com/student/nursing/register>.

2. Enter the assigned Registration ID and Password and click **Continue**.

Registration ID redemption

Registration IDs allow you to associate your username with a new organization and thus access features and content to which that organization has entitlements. As a first step, please enter your Registration ID and Registration password below, then click the Continue button.

Note: Adding an association with a new organization will not override or remove associations with existing organizations.

Registration ID

Registration password

Continue

- If you currently have a User Profile for ClinicalKey Student or another Elsevier product, continue to **step 3**.
- If you do not have a User Profile for ClinicalKey Student or another Elsevier product, skip to **step 5**.

3. Click the **Login** link.

Registration ID redemption

Registration ID Validated.

This registration ID allows you to associate with **CK MedEd Physician Test Account, CK QA Testing**

Please register a new profile or log into an existing profile to complete the redemption process.

Cancel

- Click the [Create Profile](#) link.

The Register page opens.

Registration ID redemption

Registration ID Validated.

This registration ID allows you to associate with **CK MedEd Physician Test Account, CK QA Testing**

Please register a new profile or log into an existing profile to complete the redemption process.

[Create Profile](#)

[Login](#)

- Enter the [First](#) and [Family \(last\) Name](#), [Email Address](#), and [Password](#).
- Verify the information is correct as the email address serves as your username.
- Enable the [Registered User Agreement](#) and [Terms & Conditions](#) checkboxes, then click [Register](#).

There will be a pause while the system creates the profile. When finished, you will be logged in with your new credentials and taken to the ClinicalKey Student home page.

Register

Registration is quick and free. It allows you to personalize the Elsevier products to which you have access.
